

The Village Network – Responsible Living™ Day Treatment Program Boys' Village Campus/Wooster – Columbus

State of Ohio Certified Sexually Reactive and Juvenile Sex Offender Programs

The Responsible Living™ Day Treatment Program is available at two TVN locations Boys' Village Campus-Wooster and Columbus.

As a State Certified treatment agency, The Village Network can impact the future of adolescent sex offenders by petitioning the courts to reduce and/or terminate duties to register upon satisfactory completion of TVN's sexually reactive and juvenile sex offender programs.

The Responsible Living™ Day Treatment Program was developed by The Village Network for youth in need of intensive mental health services and academic instruction. The program has gained national respect as a model program for adolescent sexual offenders and has prevented many youth from entering residential treatment programs.
